CANADIAN MADE

Hotzon Furniture Inc. has been handcrafting its classic and durable furniture in Langley, British Columbia, Canada since 1990. We are committed to manufacturing sustainable solid wood furniture that offers a lifetime of enjoyment.

HAND-CRAFTED

Our experienced craftsmen use tried-and-true case and cabinet construction to transform solid wood into timeless and enduring furniture. Before leaving our manufacturing facility, each piece of furniture is inspected to ensure it meets our high standards and represents the best in Canadian-made solid wood furniture.

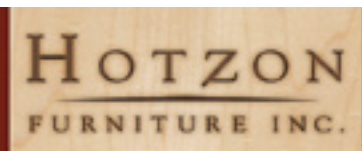

SUSTAINABLE SOLID WOOD FURNITURE

At Hotzon Furniture Inc., we have been mindful of our furniture manufacturing process from the very start, choosing to construct our furniture from FSC-certified solid maple, oak and pine. FSC-certified wood has been harvested, processed and managed using sustainable methods.
