

AINSWORTH SPRINGS | 3551

Never-Turn Plush Tight Top

PANEL

High quality, luxurious **Tencel** stretch knit cover has breathable and moisture wicking properties which allow you to sleep cooler throughout the night. Tencel is a plant based, renewable resource, making it better for the environment as well as you!

QUILT

Wool fiber naturally absorbs and releases moisture, helping to maintain an even body temperature. Wool is also hypoallergenic, making it resistant to dust mites, molds, and fungi.

UPHOLSTERY

2" Plush **GOLS Certified Organic Dunlop Latex** is naturally antibacterial, durable, and resilient, providing comfort and pressure relieving support

Fiber Pad Insulator System reduces noise and provides protection between coils and upholstery layers

CORE

5-Zone 8" 800 count Pocket Coil provides pressure relief and eliminates motion transfer for an undisturbed rest. Firmer coils provide extra support in the lumbar area where you need it most. Firmer coils also used along the sides for a supportive sitting edge.

Fiber Pad Insulator System reduces noise and provides protection between coils and upholstery layers

FEATURES

10-10 Warranty

CertiPUR-US foams are tested and certified by an independent lab for quality and low emissions

Forest For Tomorrow Base – wood used in the foundation is replenished yearly through the Forest for Tomorrow Program

AINSWORTH SPRINGS | 3551

 **TENCEL** Breathable, moisture wicking properties allow you to sleep cooler throughout the night. Tencel is a plant based, renewable resource, making it better for the environment as well as you.

Natural Wool Blend Fibers provide an elegant feel, reduce allergen build up and improve surface breathability.

GOLS Certified Organic Dunlop Latex is naturally antibacterial, durable, and resilient, providing comfort and pressure relieving support.

Never-Turn Plush Tight Top

8" 800 Count Pocket Coil System with **Five Zones** of support provides pressure relief and eliminates motion transfer for an undisturbed rest. Firmer coils provide extra support in the lumbar area where you need it most.

One Tree Planted

We replenish the wood used in our foundations by replanting trees in ecologically devastated areas each year

CertiPUR-US Certified Foams

The foams we use are certified by an independent laboratory to meet specific criteria for physical performance and low emissions

Carbon Neutral Product

TENCEL™ offers fibers certified as carbon neutral by reducing carbon emissions and using renewable energy during production
